MOA ACCEPTED FIRST/AID CPR ORGANIZATIONS FOR PROFESSIONAL
DEVELOPMENT CLOCK HOURS

The following Web links are accepted by Missouri Accreditation for First Aid/CPR training. The clock hours for First Aid/CPR training must be approved by The Section of Child Care Regulation prior to the training event if you want the clock hours. Some of the organizations listed below have chosen to not participate in the Missouri Trainer Approval system.. It I also possible they are not aware of the Missouri Trainer approval system.

MOA does not recommend any one site listed below over another. Complete your research select the sites which best fits your program needs.

- PedFACTs (American Academy of Pediatrics) www.pedfactsonline.com/findcourse.asp
